

Bond DVD Production Notice

In order to provide Bond parents a channel to regularly view the school events videos, we have uploaded all the ones produced on Bond Youtube Channel. To view our updates, parents are welcome to subscribe at <https://www.youtube.com/user/BondOnVideo>.

With the increasing requests for DVD production of Bond school events, we'd like to offer a better service as much as possible; therefore, we will provide DVD production by following the order below:

- (1) One DVD with one event's reporting video which will cover only short portions of the event. \$8.00/DVD

- (2) One DVD with the whole recording of an event (e.g.: Holiday Concerts, Talent Shows, Prom, Drama Play, Awards Ceremony, etc.)
 - ✓ If the total order is over 10 copies, \$10.00/DVD covering of one individual event;
 - ✓ If the total order is less than 10 copies, \$10.00/DVD with one general reporting video, plus the performance of individual students (whose parents made the requests) in this event.

- (3) One DVD version of Sports, Field Trips, Competitions, Band, Choirs, etc. Videos will cover 5 to 8 event reporting videos. \$18.00/DVD

We will produce DVD's based on the orders. Visit Bond Youtube Channel, select the videos you would like to order, and complete the Bond DVD Order Form.

Please give the completed DVD Order Form to Mrs. Nadine Rayner, at Bond Reception.

Thank you for your support and co-operation.

Regards,

Communications Department
 Bond Education Group
