

General Meetings

There are three general meetings during the academic year that all parents, stepparents and guardians are welcome to attend. General meetings run from 6:00 p.m. to 8:00 p.m., child care is available and light refreshments are provided.

We encourage your attendance at general meetings to connect with other families, receive important information, learn how the Bond Academy community benefits from the work of the BACC and provide input on BACC-sponsored activities, programs and initiatives.

Interested in volunteering?

Speak to a member of the Executive or send an email to bacc@web.bondacademy.ca.

Information about the
**Bond Academy
Community Council**

Who we are

The Bond Academy Community Council (BACC) is a collective association of parents, stepparents and guardians of Bond Academy students. The BACC works collaboratively with the school administration and staff to enhance the educational experience and school environment for our children.

The Bond Academy Community Council is governed by the Chair, Vice-Chair, Treasurer, Communication Liaison, Members-at-Large (who are voting members) and the Administrative Committee (who are non-voting members). The BACC represents all parents, stepparents and guardians and acts as their liaison with Bond Academy.

2019-2020 BACC Executive

Elementary and Secondary Staff
Representatives - TBD

Members-at-Large

LeRoy Ahye
Garvin Ferdinand
Gregory Hendry
Kim Parkhill
Patricia Ramsarran
Laura Richmond
Rita Simmons
Peter Siwak
Laurie Stephenson
Rudy St. Rose
Alexandra Yep

Objectives

The objectives of the BACC are as follows:

- To engage in activities, as may be deemed necessary and as approved by the school administration, to assist the students;
- To maintain an active association of parents, stepparents and guardians whose children/charges are current students at Bond Academy;
- To provide educational and social activities for the Bond Academy community;
- To facilitate a closer liaison within the Bond Academy community for the benefit of the students and the school;
- To address with the administration issues of importance to students, parents, stepparents and guardians and to make appropriate recommendations to the school administration regarding these issues; and
- To maintain and account for a treasury to fund activities in accordance with the objectives above.

A full copy of the Constitution is available on the BACC page of the Bond Academy website.

Activity Fee

Bond Academy collects an administrative fee from elementary and secondary students and then donates 50% of the fee to the Bond Academy Community Council. The collection of the student activity fee eliminates the need for the BACC to fundraise and provides a stable source of funding for BACC activities, programs, and initiatives.

The activity fee is dispersed by the BACC to support the following areas which fall outside the primary curriculum-based priorities of the school:

- academic enrichment
- student events and programs
- extracurricular activities
- community events and receptions
