Free Before & After Camp Programs

The Before & After Camp programs provide a safe, secure and stimulating transition between the home and camp. The Before Camp Program runs from 7:00 a.m. to 9:00 a.m. Parents drop off their children knowing they are safe and supervised by qualified staff. Following dismissal from class, the campers are escorted to the After Camp program. The After Camp program closes at 6:00 p.m. and provides a variety of supervised activities. As an important component of our safety and security plan, all campers are enrolled in these programs for free.

Summer Day Camps

ACADEMIC MORNINGS

The mornings of the camp will consist of weekly spelling lists, phonics activities, writing, mini novel studies, math and science. All lessons will cater to different age groups.

Opportunities will be available for older students to develop and enhance their leadership skills. There will also be an added component of Character Education. At Bond Academy, we believe it is imperative to build positive character traits and values. Throughout the summer, campers will be taught important life skills while focusing on a different character trait each week.

Level 1 (Ages 4 - 7)

Level 2 (Ages 8 - 11)

Montessori Casa (Ages 4 - 6)

**All campers are asked to come prepared with two exercise books, pencil crayons, eraser and a glue stick, sun screen, hat, and a reusable water bottle.*

FUN & EXCITING AFTERNOONS

Arts & Crafts

All children will enjoy our Arts & Crafts week. Painting, pottery, necklace and bracelet making, and picture frames are only some of the fun activities the children will participate in. Drama and dance will also be included to allow children the opportunity to express their creative talents.

Sports

Who doesn't love to be active and play sports? The children will participate in fun and co-operative games. Some games will involve friendly competition. However, fun and participation are the ultimate goals.

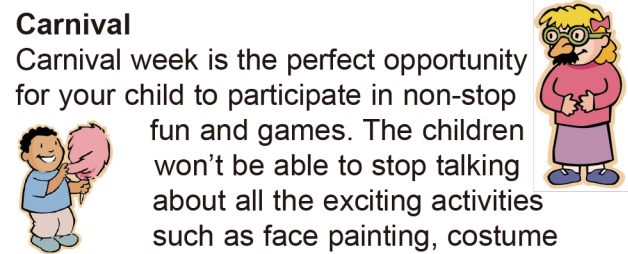

Cooking

Following a theme related academic morning, the afternoon activities will consist of planning, preparing and presenting a four course meal. Each day will target a different item. Throughout the week we will also be discussing nutrition and table etiquette.

Carnival

Carnival week is the perfect opportunity for your child to participate in non-stop fun and games. The children won't be able to stop talking about all the exciting activities such as face painting, costume and mask making, and a variety of "Midway" inspired games.
